

I WANT TO BELIEVE BUT...

11/01/2020 “...Science Stands in the Way.”

1. What stood out to you most from Sunday’s message? Why?
2. What causes many people to see science as contradictory to the Bible? Be specific.
3. Based on Sunday’s message what is the purpose of the Bible? What is the purpose of science?
4. Read 2 Timothy 3:10-17. What role does scripture have according to Paul?
5. In addition to science, what things do people look to the Bible for? What things does the Bible claim to provide?
6. When are you most likely to read the Bible? What are you hoping it will provide you?
7. One of the main purposes of the Bible is to reveal God, the order of his creation and his desire for relationship with creation. How does this shape your expectations of the Bible?
8. Read John 5:39-40. How can Jesus’ statement be true? What does he mean?
9. How can you make sure that you are not missing the main point of scripture?
10. How might reading for the main point of scripture change your reading style or approach to study?
11. Out of this sermon series, what do you feel your next step is for strengthening your faith or understanding of the Bible?
