04/16/2023 "Couple Bubble"

1. What are or have been some of your most meaningful relationships?
2. What made those relationships so meaningful or successful?
3. Take a moment to talk about one of the concepts that stood out to you from Sunday's message. What made it stand out? Which one would you like more info on?

Read John 21:15-17. Scholars have long interpreted these verses as Jesus offering forgiveness and healing to Peter. It's an emotional scene given what happened in John 18:15-18, 25-27.

4. How does this story communicate the depth of Jesus' love for Peter?
5. In what way does Jesus' approach to Peter's betrayal create a safe environment?
6. In a relationship, what things tend to communicate an unsafe environment? Which ones are a trigger for you?
7. Read Ephesians 4:31-5:2. What would change in your relationships if you could live out these verses more fully?
8. Are there negative images of Christianity that communicate a lack of safety with God? How does a healthy understanding of Jesus' character and mission adjust these poor images?
9. How do you think Jesus helps us with creating a safe place where relationships can thrive?
10. How can you get better connected this week to the unconditional and secure love of God?
