

I WANT TO BELIEVE BUT...

09/27/2020 “...the Bible Encourages Genocide”

1. The past three weeks have presented a lot of information that is not often heard during a Sunday church service. How are you doing with this information?
2. How has it been helpful? How has it been challenging?
3. Read Deuteronomy 7:1-6. Why does God instruct them to remove those nations from the land?
4. Based on Sunday’s message, what does it mean to “remove” (Hebrew = *herem*) or “destroy” them?
5. Read Colossians 3. What stands out to you from this passage? What challenges you from this passage? Why?
6. Colossians 3 talks about dying and putting to death. What is this passage speaking of?
7. How does this passage describe those who are “in Christ” those who have built their identity on Jesus?
8. What things in your identity need to be brought under God’s control? (*You can select one or two to share with the group, but feel free to write a few more down that can remain private.*)
9. How are these things impacting your faith and your relationships?
10. How can you begin to “drive” these things out of your life?
